

How to Log In to Online Banking the First Time

Starting on **Monday, February 4**, you will access your accounts through American State Bank Online Banking. Please follow the instructions below to access your accounts for the first time.

- 1 Visit **ASBTX.com** and enter your existing Texas State Bank User ID in the Online Banking login field
- 2 When prompted, enter the last 4 digits of your social security number as your initial password
- 3 Read and accept the terms and conditions and establish your new password
- 4 Select a watermark image
- 5 Read information about multifactor authentication, and then establish new security challenge questions
- 6 Enter or confirm your email address and set up a password reset question
- 7 You will be directed to the Online Banking landing page with your account details

After logging in to Online Banking, you can follow the steps below to **set up Mobile Banking**:

- 1 While logged into Online Banking, select the Options tab—Mobile Settings—Web Mobile Settings
- 2 Select the box to enable web access for your mobile device
- 3 Select 'Yes' or 'No' to receive text message alerts
- 4 Enter your mobile phone number and carrier information
- 5 Select which accounts you want to access via your mobile device and hit Submit
- 6 Download the American State Bank Mobile Banking app from the Apple® app or Google Play™ store
- 7 Login with your American State Bank Online Banking credentials
